# We imagine exceptional performance and brilliant colors for leather finishes

If it can be imagined,  
it can be created

# The high performance solution for leather finishing

Camotex® PP-19-200 pigments series

Aqueous, casein free pigment dispersions, developed for high performance leather finishes. Very finely dispersed and highly concentrated, these pigment pastes have high covering power. The Camotex® PP-19-200 pigments series is the solution for the most demanding articles.
